

# **Barn Rules**

## **Please Read**

- **Dogs must be kept on leashes at all times**
- **Smoking in the barn is prohibited**
- **Children MUST be supervised at all times. Absolutely no children in the hayloft. Please watch them closely around the horses, ponds and wells.**
- **You must pick up after your horse when you are finished riding, tacking up, grooming etc. from all areas of the property**
- **Tie stalls and barn aisles must be swept after use and kept free of manure.**
- **Please put all of your tack away**
- **Emergency First Aid items are available in the tack room.**
- **Please do not use other boarders tack unless given permission**
- **Boarders, instructors and outside riders MUST sign a waiver before handling or riding any of the horses including your own. Extra helmets and riding boots are available.**
- **Please ensure you shut all paddock gates at all times.**
- **Please use common sense when retrieving your horse from the paddocks.**
- **Always use a halter and lead rope when collecting your horse.**
- **Please place your horse back in the paddock you retrieved it from**
- **Please do not go into a paddock with other horses unless yours is in that paddock**
- **There are stallions on our property, although very friendly, we prefer that other than the owners, no one handles them.**
- **We have the right to assign and re-assign paddocks and stalls in order to minimize dangerous or nuisance situations or wear & tear on the facility.**
- **Please notify us of any necessary repairs, maintenance, problems, complaints or needed supplies.**
- **Please do not ride in any pastures that we have horses in.**
- **Please note the riding rings are not on a first come first serve basis and individuals are to share the riding rings.**
- **If you go for a hack on the rail trail, please leave a note that you have done so.**
- **Please do not ride the horses up the driveway.**
- **Please make us aware ahead of time if you plan to take your horse off of the property at anytime.**
- **All horses must be wormed with the same product at the same time, unless a medical condition exists**
- **All horses must be vaccinated with a minimum of Tetanus, and Rabies.**
- **We retain the right to medically treat, or call a veterinarian at the expense of the owner should a horse become ill or injured.**
- **Please submit any requests or concerns in writing and we will try to address them in a timely manner.**
